- Help others
- Channel Reiki to yourself for self-healing
- Open your heart more for greater health, happiness, peace and loving connection to others

Reiki Usui Atunements

... are available through Padmachaya Hobart (Reiki Tummo). These free* atunements began as a community service, in particular to assist in poorer countries where health services are limited & the learning of a simple-to-do yet very effective healing modality can be of great benefit.

Details for the next free* atunement are:

Date: Every first of the month at 9:00pm
Next: 1st Dec'09; 1st Jan '2010, etc.

Where: Level 1, the Lotus Centre, 45 Victoria St.
Hobart City (next to Babylon Bookshop)

You will also learn about the heart (the spiritual or sacred heart) and how you can open your heart more. This will help with any Reiki channeling. One can increasingly experience wonderful feelings of greater peace, joy, loving connecting to others as negativities or blockages are released with the help of the Reiki and our heart.

* We ask for a \$5 contribution to cover room hire, heating, power, etc (a Reiki Usui Level 1 atunement usually costs between \$100 & \$150)

Please ☎ 6231 9669 or ☎ 0419 440123 for more details.
